“The Scenario of COVID-19 across the Globe: BRICS and beyond”

Date: June 15, 2020

Time:

9.30 am (Brasilia)

3.30 pm (Moscow)

6.00 pm (New Delhi)

8.30 pm (Beijing)

2.30 pm (Pretoria)

Organizer: National Committee on BRICS Research (Russia), BRICS Russia Expert Council (Russia), BRICS International School

Agenda:

Today, when COVID-19 swept the world, the increased involvement of civil society is vital to address the crisis. As representatives of major emerging countries with global influence, BRICS need to act together in solidarity and cooperate in the interest of the well-being of the humankind. Young people from BRICS countries can and should become the change-makers bringing new ideas and innovation.

This webinar is aimed to have young experts from all over the world presenting the overall impacts of the COVID-19 pandemic in their countries, by answering the following questions:

- What are the social, economic and political impacts of the COVID-19 pandemic in your country?
- What is the role for BRICS in the changing reality?
- What can the youth do to help?
